RE Purdue Pharma  
Chapter 11  
Case No. 19-23649 (RDD)

Recently I received notice of Purdue Pharma's March 15, 2021 Chapter 11 filing. I do not agree with this bad move intended to try to avoid their responsibilities with the patients that lost their lives due to the use of the medicine they were selling. I wonder just how many people died as a result.

Purdue Pharma made millions and now they do not care about victims and their families. Shame on them.

It is my hope that the Court makes a responsible decision.
